[Lyrics: Francois Mongrain]

"A deep introspection might be required ..."

Acid rain can't dissolve  
The stains which were left by the flood of tears  
Foaming sea of rage can't erode  
This heart of stone frozen by fear

Frail skiff !  
Without a course already traced  
Drowning with haste !  
Frail skiff without a crew  
Sinking to my rescue !

Lighthouses can't be seen  
Fog-horns can't be heard  
Deserted waters  
By the tiny frail skiff  
Diving at it's own risk  
Deserted waters  
Leaving the anchor behind  
Adrift goes my mind  
Deserted waters  
Scattered slowly, agonizing  
Time kills time

The skiff ran onto  
The reef of my memory  
Hoisting the yellow flag  
I stem the tide of my past

In this imminent wreckage  
I despair for salvation  
Am I destined to an unconscious scuttling ?  
My soul now a soaked up desert land

Pulled out from my deepest torments  
Submerged in my own torrents  
Lurking in my own wake  
I am my own stowaway
