Empty station

He is waiting on a silent afternoon

Summer's waning and today they

Only have an hour or two

She comes into view

Leave the world for a moment with you

Shades of gray slowly fade into blue

In her face he looks for traces

Of the woman he once knew

Not forgetting, past regretting

Hidden hours and hotel rooms

Endless yearning

Hope is burning, time for moving on

Seasons turning, never learning

Finally leaving each alone

Leave the world for a moment with you

Shades of gray slowly melt into blue

Endless yearning

Hope is burning, time for moving on

Words unspoken, hearts are broken

Finally leaving each alone
