Oh baby, hold me, squeeze me, kiss me, baby, do
anything you wanna do
If you'll let me be your girlfriend, I will never make you
blue
& you won't every have to worry about me if your love
is true
Just say you're mine, & I'll let you, baby, do what you
wanna do
I'll give my heart all the way; all you have to do is say
That you will never let me go

CHORUS:

Oh baby, hold me, squeeze me, kiss me, baby, do
anything you wanna do
If you tell me it's forever, I will spend my life with you
& you won't ever have to worry about me finding
someone new
I made a deal with my heart to never love no one but
you

(instrumental)
(chorus)

(repeat & fade):
I made a deal with my heart to never love no one but
you
