I'll keep on holding on  
Ohh, yes I will  
I'll keep on holding on  
I know that you're the kind of guy  
You're the kind of guy  
You got too much pride  
Scared to love someone  
Love someone  
So you- run and hide  
But each and every day  
And each and every way  
My love is growing stronger  
And I know that you can't hold out much longer  
When there's no place left to hide  
I'll still be by your side  
Cause I'll be...  
Waiting  
Oh yes  
Watching  
Sho nuff  
Looking for a chance  
A chance to make you mine  
I'll keep on holding on  
I know you braggin to your friends  
That you can't be caught  
Baby you don't know so it's time that you were taught  
So love you'd better plan  
To make your final stand  
No matter where you run now  
I'll hold on till my will to resist is gone  
Till I get where I want to  
Then I'm gonna haunt you  
Waiting...  
Oh yes  
Watching  
Sho nuff

A chance to make you mine  
I'll keep on holding on  
No matter where you run boy  
I'll keep on holding on  
No matter where you hid boy

I'll keep on holding on  
Oh you'll never get away boy  
I'll keep on holding on
