He had a hold on you; he was your puppeteer
You did everything he wanted you to
Now he's not here
& you're lost in fear
'Cause now he's not here

CHORUS:

Marionette, that's what you get
Marionette, that's what you get
Because you let him pull the strings
That made you do the things that you so saw before
'Cause now he don't love you no more

Don't you know he had complete control?
Ah you could do nothin' alone
Now without him, you ain't got no soul
I tell you, you're on your own
Yeah, now that he's gone
You're on your own

(chorus)

For you he was no good, no no
He thought your heart was made of wood
Yeah (made of wood, made of wood)
He made you act so strange
Foolish & uncomposed, oh yeah
Somehow he seemed to change
But that's how it goes
The curtain is closed
That's how it goes

(repeat & fade):
Marionette, that's what you get
