Spring in the air  
There's magic evrywhere  
When you're young and in love

Life seems to be  
A world of fantasy  
When you're young and in love

Each night seems just like the Fourth of July  
When stars spangle the sky

The moon at night  
Seems to shine twice as bright  
When you're young and in love

Ooh, dreams can come true  
If you believe they do  
When you're young and in love

Though many teardrops are bound to fall  
True love can conquer all  
When youre, when you're young and in love

Ooh, ooh yeah

When you're young and in love

Though many teardrops are bound to fall  
True love can conquer all  
When youre, when you're young and in love

So in love

Oh, yeah  
FADE

I feel so good
