She was a solid gold dancer back in '81
Snortin' whiskey, drinkin' coke and having lots of fun
He liked to take her to the parties but she'd leave alone
It's hard to cover up the smell of sex with that cologne

And I'm losing you
(Can't get through)
Don't walk away this time now
(Whatchu gonna do?)

And I'm losing you
(Can't get through)
Don't walk away this time now
(Watchu gonna do?)
Watchu gonna do

Cheerleader captain, quarter backin', drinkin' lots of
beer
Rah-rah-in', sis-boom-bah-in', all the way to state this
year
They take the turns you felt the burn and still you'll
never know
Fell down and woke up in the locker room without your
clothes

And I'm losing you
(Can't get through)
Don't walk away this time now
(Whatchu gonna do?)

And I'm losing you
(Can't get through)
Don't walk away this time now
(Watchu gonna do?)

Try to wash away the pain
But all the soap in the world can't get you clean
Cry quickly turns to a scream
As you run down the hall with no end or beginning

And I'm losing you
Don't walk away this time now

And I'm losing you
(Watchu gonna do?)
Don't walk away this time now

And I'm losing you
Don't walk away this time now
And I'm losing you
(Watchu gonna do?)
Don't walk away this time now
