You took me up, up on the roof
Turned me from a boy to a man in a day
You took me out, bought me new shoes
So I wouldn't look like all my friends in 9th grade

Now that I'm here it feels so queer
If you'd only slow it down a notch or two
I think you'd see, this isn't me
I've had all I can, this is over
So rock and roll over

'Cause I won't lie
I just wanna go home, I just wanna go home
And I won't lie
I just wanna go home, I just wanna go home

You picked me up, up in your 'vette
Then said you were sorry for being so late
Late 'cause you called, called all your friends
Just to say how cute it was to go on a date

Now that I'm here it feels so queer
If you'd only slow it down a notch or two
I think you'd see, this isn't me
Pull the car over
So rock and roll over

'Cause I won't lie
I just wanna go home, I just wanna go home
And I won't lie
I just wanna go home

And play my Atari and tell you I'm sorry this time

And I won't lie
I just wanna go home, I just wanna go home
And I won't lie
I just wanna go home, I just wanna go home

And I won't lie
I just wanna go home, I just wanna go home
And I won't lie

I just wanna go home

And pick my crooked nose and watch rock videos
And paint my ugly toes and pierce my ugly nose
And play my Atari and tell you I'm sorry, tell you I'm
sorry
