Walk to the corner, just another funny feeling  
Sure enough, you were standin' like a civil war statue  
It's a steak through the heart, without a steak on my  
plate  
Left just spinning round in circles, darling is there  
nothing left for me now

You're wasting your time  
I'm nothing like you, you're nothing like me  
Don't get me no wrong  
Don't waste your time, I'm not your type

By next Sunday morning I was feeling just fine  
Do you recall me asking if you wanted pizza and wine?  
You said, eating's not my thing and the wine just  
makes me dizzy  
I know there's other victims would you please just tell  
me who is he now

You're wasting your time  
I'm nothing like you, you're nothing like me  
Don't get me no wrong  
Don't waste your time, I'm not your type

What part of all of this, don't you understand  
If the devil believed in persistence, you'd be put up on  
the stand  
As Elvis is my witness  
I'm the 'ing of Never Knowing What I Want

You're wasting your time  
I'm nothing like you, you're nothing like me  
Don't get me no wrong  
Don't waste your time, I'm not your type

No, no, oh, no, oh

You're wasting your time  
I'm nothing like you, you're nothing like me  
Don't get me no wrong  
Don't waste your time, I'm not your type

Ooh, yeah, ooh
