Up and down my back, my spine, in my brain
It injures me, babe

Anger, can make you old, yes it can
I said anger, can make you sick children, oh Jesus
Anger destroy your soul

Rage, there's no room for rage in there
There's no room for rage in here
Line up some place to go to be mad
It's a sin to treat your body bad

When anger really gets the best of us
We've really lost our heads
We often say a lof of things, oh darlin'
Wish we'd never said

Oh, reason is beyond control
And the things we do for spite
Makes me ashamed for my meanness, baby
Makes me want to the things right

Someday soon I hope and pray like Jesus
I'll reach that wiser age
Hope I will learn I really never never profit
From things I do in rage

One more time anger, more anger
When it's flaming hot
Anger burns to the bitter end
Know what I'm talkin' 'bout

And when it cools I find out too late
I have lost at love, love, love, dear friend

I said, anger will make you sick children, oh Jesus
Anger destroy your soul

I ain't gonna let you get the best of me, babe
I'm gonna go somewhere and cool
This is not the way my head's supposed to be, babe
You've got me feelin' like some silly fool

But I know a real nice place where I can go
And feel the way I'm supposed to feel

I don't want to be mad at nobody
I don't want to be feelin' bad
Up and down my back, my spine, in my brain
It injures me, babe

Anger, can make you old, yes it can
I said anger, will make you sick children, oh Jesus
Anger destroy your soul

Anger, anger
Anger, anger
Anger
