This is Anna's song, I'm making love all night long
Take a bath in milk, and lay on your satin sheets
Laughing, smiling
(Oh oh)
Lay a while in
(Oh oh)
Chocolate mint, candy sweets

(Living across the way)
Cross the way
(Living across the way, living across the way)
This is Anna's song, yeah
(This is Anna's song, this is Anna's song)
Keep on singing
(Loving my song)
All night long
(Loving my song)

Oh work so hard, see me making dollars
(Never worked so hard)
I know I should for my own good, what's it her smile
Makes you so stubborn and oh

Didn't you notice the snow, starting to fall
Come let us sit a while
Just listen to the children laughing and running wild

Anna, Anna, Anna
Yeah this is Anna's song
Hey baby, hey baby loving you all night long
Let it happen again and again and again baby Anna
yeah
She's a child of the sun, lovinest one of all

Mmm and this is Anna's song
Yeah keep on loving me baby, loving me cross the hall
She can't do no wrong 'cos this is Anna's song
Laugh and chatter to you, kiss me Anna dear
Oh baby

Hey Anna here's your song, yeah
The one that I promise baby, promise you all along

I knew all the time that I'd find the rhyme
Never have a fear, here it is my dear
