Baby, don't you leave me

Baby, don't you leave me

Don't you break my heart

Why you wanna leave me?

Why you wanna grieve me?

Why do we have to part

Couldn't give my love to nobody else

You've got me feelin' sorry for myself

Baby, don't you leave me

Baby, I'm lonely

Oh, so lonely

When you left me before

That's when you promised

Oh yes, you promised

Not to leave me no more

You oughta hang your head in shame

The way you keep my little heart in pain

Baby, don't you leave me

Said you'd never let nothin' come between you and me

I'm yours and I guess I'll be yours till you set me free

Don't leave me

Please don't leave me

Don't you make me cry

Let's stay together

Always together

Till the day we die

You know you're comin' out hard to wait

You're gonna fool around and make it great?

Baby, don't you leave me

Don't leave me, baby

Baby, don't you leave me

Please don't go

Baby, don't you leave me

..and fade
