Ah ah listen everybody (body), especially you girls
(girls)
Is it right to be left alone when the one you love is never
home
I love too hard my friends sometimes say
But I believe I believe that a woman should be loved
that way
But it hurts me so inside to see you treat me so unkind
Somebody somewhere tell her it ain't fair
Can I get a witness (Can I get a witness)
I want a witness (Can I get a witness)
I want a witness (Can I get a witness)
Somebody (Can I get a witness)
Is it right to be treated so bad when you give her
everything you had
Keep on talking in my sleep 'cause I haven't seen my
baby all week
Now you kids who agree that this ain't the way it's
supposed to be
Let me hear you, let me hear you say yeah, yeah, yeah
Up early in the morning with her on my mind
After finding out all night that I been cryin'
But I believe a woman's a man's best friend
And I'm gonna stick by her till the bitter end
Well she causes so much misery how's a gal supposed
to be
Somebody somewhere tell her it ain't fair

Can I get a witness, can I get a witness
(Can I get a witness), I want a witness
(Can I get a witness), witness, witness
(Can I get a witness), witness, witness
(Can I get a witness)
Everybody knows espically you girls
That a love can be sad but my beloved's twice as bad
Now you kids do all agree that ain't the way it's
supposed to be
Let me hear you, let me hear you say yeah, yeah, yeah
I want a witness (Can I get a witness)
I want a witness (Can I get a witness)
Yeah, I want a witness (Can I get a witness)
Somebody (Can I get a witness)

Is it right to be treated so bad when you give her
everything you had
Keep on talking in my sleep 'cause I haven't seen my
baby all week
Now you kids you all agree is that the way it's supposed
to be
Let me hear you, let me hear you say yeah, yeah, yeah
I want a witness (Can I get a witness)
I want a witness (Can I get a witness)
I want a witness (Can I get a witness)
I want a witness (Can I get a witness)
Witness, witness, yeah, I want a witness
