### "Dream Of A Lifetime"

I have  
tasted success  
i've been in love more or less  
with a dream that will last me  
a lifetime, baby

other dreams i have lost  
but whatever the cost  
the parade isn't passing me by  
no no no no no, darling

so if the picture i paint  
makes me a sinner or makes me a saint  
i won't try, no, not i  
to deny it, whoo  
oh, i may cry with the past  
but it's easier to laugh about it  
when i think of my wonderful life

I THANK GOD FOR MY WONDERFUL LIFE!
