Fly me to the moon
And let me play amongst the stars
Let me know what spring is like
On Jupiter and Mars
In other words, hold my hand
In other words, baby kiss me
Fill my heart with song
And let me sing for ever more
You are all I long for
All I cherish and adore
In other words, please be true
In other words, I love you
Fill my heart with song
And let me sing for ever more
You are all I long for
All I cherish and adore
In other words, please be true
In other words, I love you
