Fly me to the moon  
And let me play amongst the stars  
Let me know what spring is like  
On Jupiter and Mars

In other words, hold my hand  
In other words, baby kiss me

Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I cherish and adore

In other words, please be true  
In other words, I love you

Fill my heart with song  
And let me sing for ever more  
You are all I long for  
All I cherish and adore

In other words, please be true  
In other words, I love you
