Funny how i've stopped loving you  
i can listen to your name & it doesn't start a flame...not  
much  
so much my heart wants to cry  
oh yeah

baby, it's funny how i've stopped loving you  
& it's funny i don't miss all the heaven in your  
kiss...your touch  
i don't love you...too much

now that you are standing here  
darling, i won't shed a tear  
this is just the rain in my eyes  
& if i have proved to you that everything i say is true  
please help me believe my own lies

girl, it's funny how i've stopped loving you  
& it's funny i don't miss all of the heaven in your  
kiss...your touch  
i don't love you...not too much, baby  
not too much  
oh you went away & left me, baby  
i don't love you too much  
just with all my heart, dear
