Hey, Marvin, yeah, Tammi
Listen to me, baby

Take a plane a million miles and stay hundred years
And come back baby and I'll be waiting here
I'll be true to you, I ain't goin' nowhere
'Cause this love I have is just for you to share

Can't help but love you
Can't help but love you, baby
Can't help but love you

I don't care to know how far I have to fly
I don't care to know how many stars are in the sky
There's just one thing, baby, that I've got to know
Will you love me forever, never let me go?
Oh Tammi, yeah Marvin, oh baby

I'll be lovin' you, I can't help myself
I'll be lovin' you and nobody else
I'll be lovin' you, oh yes, I will
Till I'm old and gray, till my heart stands still, oh Tammi
Oh Marvin, tell me why do you love me?

I was just a rollin' stone goin' nowhere
Empty like a hollow room filled with despair
Then like a rainbow and a pot of gold
You came into my life and you saved my very soul

Can't help but love you
Can't help but love you, baby
Can't help but love you
Tell me, why do you love me?

I was so alone like a leaf without a tree
When out of the darkness your love lifted me
And I'm so grateful, baby I'm so glad
'Cause your sweet, sweet love is the best I've ever had

Can't help but love you
Can't help but love you, baby
Can't help but love you

I'll be lovin' you, I can't help myself
I'll be lovin' you and nobody else
I'll be lovin' you, oh yes, I will
Till I'm old and gray, till my heart stands still

Can't help but love you
Can't help but love you, baby
Can't help but love you

I'll be lovin' you, I can't help myself
I'll be lovin' you and nobody else
I'll be lovin' you, oh yes, I will
Till I'm old and gray, till my heart stands still
