(ware/ross)

Madonna

I want you, the right way

I want you, but i want you to want me too

Want you to want me baby

Just like i want you

I'll give you all the love

I want in return

But half the love is all i feel

Sweet darling

It's too bad it's too sad

You don't want me no more

But i'm gonna change your mind

Someway, somehow

I want you, the right way

I want you, but i want you to want me too

Want you to want me baby

Just like i want you

One way love is just a fantasy

To share is precious

??? right there

Don't play with somethin

You should cherish for life, oh baby

Don't you wanna care

Ain't it lonely out there

I want you, the right way

I want you, but i want you to want me too

Want you to want me baby

Just like i want you

I want you, the right way

I want you, but i want you to want me too

Want you to want me baby

Just like i want you

I want you, the right way

Want me, baby

Don't play with something

You should cherish for life
