I WANT YOU
Marvin Gaye

I want you the right way
I want you but I want you to want me too
I want you to want me baby
Just like I want you

I'll give you all the love I wanted to
But half a love is all I fell
Well it's too bad, it's just too sad
You don't want me
But I want to change your mind
Some ways, somehow
(repeat chorus)

I wonder if love is just a fantasy
To share it's freshness, pure and fair
Oh don't play with suffering,
You should cherish for life
Don't you want to care
And in lonely I bear
(repeat chorus)
