It takes a real good woman to know how to love a good man  
It takes some hugging and kissing but most of all some understanding  
And I've got all of the hugging and kissing and understanding I want

That's why I'm crazy 'bout my baby  
Crazy about my baby  
Mad about my baby  
And I know for sure she crazy 'bout me

Now you can talk about your real fine chicks say they're nice & sweet as they can be  
But I've got a woman suits me to a tee  
Now she may not look like Venus, she's good enough for me

And I'm crazy 'bout my baby  
Crazy about my baby  
Wild about my baby  
And it's plain to see she crazy 'bout me

Musical interlude

Now me and my baby yeah, yeah, we're doing alright  
We love one another, vow to treat each other right  
Now I've got enough woman to last me for the rest of my life

I'm crazy 'bout my baby  
Mad about my baby  
Wild about my baby  
So wild about my baby  
And I know for sure she crazy 'bout me

I'm crazy 'bout my baby  
(Repeat and fade out)
