Intro: Falling, Falling, Falling, Falling, Sugar I'm Falling
Falling for You, Falling

I think I'm falling in love with you,
All Over, Though it's over.
And each and everything that you do,
Brings us closer, tighter baby.

Diana: But this time I just want to be sure

Marvin: Your love is something meant to be good
Your love is so good, It's so good for me baby

Honey you sting like a bee,
Marvin: but you're sweet as honey

Diana: Though your cool like the breeze, You're stormy
on Monday

Marvin: You're soft like a rose, but a thorn sure ain't
funny,
It ain't funny, no it ain't funny baby

Think I'm falling in love with you,
All over, Though it's over baby
Just can't wait to spend some time with you,
Marvin: So we'll get tighter,
Diana: So we'll get tighter, Closer baby
Marvin: Closer Baby

Diana: Though I've been down this road before,

Marvin: And I've been watching you

Diana: I think I'll take my chances once more

Marvin: I'm scared about it baby ,

Diana: Just one more time
Marvin: Just one more time

Marvin: Sting like a bee, Oh baby, but you're sweet as
honey
Cool like a breeze, But you're stormy on Monday
Soft like a rose,
Marvin:But a thorn sure ain't funny,
It ain't funny, not one minute,no no no no, no

I think I'm falling in love with you
And I think I'm falling in love with you, baby

Marvin:Said I'm Falling Diana:Said I'm Falling
