So let me tell you 'bout  
Last Saturday night  
The club was rocking  
Super freaks hanging out  
Wall to wall  
They tell me something's going on in the men's room  
Soon as we come out we'll be high soon  
Did you save a line for the ladies  
We're not into that are you crazy  
Who's the super freak in the red dress  
When she starts to shake it, I can't take it  
Get in the groove and boogie to the beat baby  
Get in the groove and boogie to the beat baby  
Shake it baby, shake it pretty  
We got the party, we got the sounds  
We're off in the streets and all the freaks are getting  
down  
Get in the groove baby, and boogie to the beat  
Shake, shake your thing  
You freaky thing, the way you move you drive me crazy  
You freaky thing, you freaky thing  
You make me rock  
You make me rock  
You turn me on  
The way you dance  
The way you dance  
Midnight lady, sexy dancer  
Hot and hardy, love to party  
We're jammin' to love  
Major love minor love  
Jammin' to a great crescendo

Let's party baby, shake it, shake it  
Party night to remember  
Oh, everybody's having fun  
Come on and party turn the green light on  
When I saw you  
I had to stop  
I had to stop in the middle of a bop  
I had to stop  
I got the rhythm  
I got the rhythm

Love is everywhere for the making  
Freaks is everywhere for the taking  
Blues is in the air if you sing it  
Happiness come back if you bring it  
I'm having me a good time  
Midnight lady, midnight lady  
Rockin' and finger poppin'  
Somebody said you was a super freak  
I'm here to tell you I'm a super freak baby  
Get in the groove  
Get in the groove  
Get in the groove  
We got to rock, we got the rhythm  
We got to come on down to the boogie  
Feeling good (ad lib)  
Check that classy rhythm  
Give me that sexy beat  
I dig that feeling jam  
Midnight lady, sexy  
You are the one I'm looking for  
I never, never, never knew before  
Oh, baby, you're looking too good  
Super freaky
