It's quarter to three  
There's no one in the place except you and me  
So set 'em up, Joe  
I got a little story I think you should know

We're drinking, my friend  
To the end of a brief episode  
Make it one for my baby  
And one more for the road

I got the routine  
Put another nickel in the machine  
Feeling so bad  
Won't you make the music easy and sad?

I could tell you a lot, but it's not  
In a gentleman's code  
Just make it one for my baby  
And one more for the road

You'd never know it, but buddy, I'm a kind of poet  
And I've got a lot of things I'd like to say  
And when I'm gloomy  
Won't ya listen to me till it's talked away?

Well, that's how it goes  
And Joe, I know you're gettin' anxious to close  
Thanks for the cheer  
I hope you didn't mind my bending your ear

But this torch that I found, it's gotta be drowned  
Or it soon might explode  
Make it one for my baby  
And one more for the road  
Long, it's so long, winding road
