(Earl DeRouen/Marvin Gaye)

Hey baby

That's alright people

I know that's alright

Oh, when we love each other

I know that's alright

Oh feel it, feel it

Oh everybody feel it

God know that's alright, yes

Some of us were born

With money to spend

Some of us were born

For races to win

Some of us are aware

That it's good for us to care

Some of us feel the icy wind

Of poverty blowing in the air

For those of us who simply like to socialize

For those of us who tend the sick

Ah, and heed the people's cries

Let me say to you

Right on

Right on, feel it

Yea, oh, oh, Oh Lord, Lord, people

And I say, Right on

Honey right on

For those of us who live

Where peace is craved

For those of us who live, uh-huh

Where hatred is enslaved, alright

For those of us who live a life

Yea, surrounded by good fortune and wealth

Talk about it

Those of us who live a life

Hey, hey, hey enjoying ourselves

For those of us who got drowned

In the sea of happiness

For the soul that takes pride in his God

And himself and everything else

Love

That's all it is

We need love
That's all it is
Oh, oh
Love, love
Love's the thing
Love, love, love, love
Sweet love, love
Wonderful love
Ah, true love, love
Love for your brother
Love, for God
Pure love
Love can conquer hate everytime
Give out some love and you'll find
Peace sublime
And my darling, one more thing
If you let me, I will take you
To live where love is King
Ah, ah baby, baby
Ah, ah, ah, baby
People, people
People who love and care
That's alright
Alright
Ah....
