Dreamed of you this morning then came the dawn
And I thought that you were here with me
If you could only see how much I love you
You'd want to trust me

Oh in my dreams I was loving you
Every place that you wanted me to
Since I've been having dreams and fantasies baby
I'd like to make love to you right there baby

I've got this real strong need that loves you everywhere
I won't stop until I find your passion flowing like wine
Baby, baby please let me do it to you

I never gave head before but there's always the first
time you know
So I made up my mind, soon I'll be loving you
That's all nasty head, I made up my mind
Soon I'll be loving you, girl I know where I'm gonna
drink

I can't wait to touch you, to give you that feeling
Eat you up my dear so that your mood will be revealing
Baby and soon as I know I got you in your way

Give you some head baby, I'm gonna knock you right
up woman
I want to give you some head suga, I'll know what to do
I want to give you some head, ah you'll be my woman

I love it to give it baby 'cause I know just what to do with
it
Ah I'm gonna give you the ultimate love baby
The ultimate love baby, don't you know I can handle
you
So soon, soon, soon, soon I'll be loving you ah Janice

You so fine
