Woah-oh-oh, ooo

(Marvin)

You're alone, all the time

Does it ever puzzle you? Have you asked why?

You seem, to fall in love, and out again

Do you really ever love? Or just pretend?

Oh baby, why fool yourself?

Don't be afraid, to help yourself

It's never too late, to late to

Stop, look, yes, listen to your heart

Hear what it's saying

Stop, look, listen to your heart

Hear what it's saying

Love, oh, love, love

(Diana)

Though you try, you can't hide

All the things you really feel, this time decide

That you, will open up, let it in

There's no shame in sharing love, you feel within

So jump right in

Head over heels, and fall right in

It's never too late, to late to

Stop, look, listen to your heart

Hear what it's saying

Stop, look, oh, listen to your heart

Hear what it's saying

Love, love, love

(Both)

Ooo, hey

Darlin', darlin', stop and look

(Stop right now and listen to your heart)

Oh, listen to your heart hear what it's saying

(Can't you see that it's not too late)

Stop and look and listen to your heart hear what it's saying

Stop and listen to your heart right now

(Stop, look, listen to your heart hear what it's saying)

Oh, can't you see that it's not too late

(Stop, look, listen to your heart hear what it's saying)

Darlin' stop and look and listen to your heart hear what it's saying

(Stop baby)

Stop right now and listen to your heart
(And listen to your heart hear what it's saying)
