Woah-oh-oh, ooo

(Marvin)

You're alone, all the time  
Does it ever puzzle you? Have you asked why?  
You seem, to fall in love, and out again  
Do you really ever love? Or just pretend?  
Oh baby, why fool yourself?  
Don't be afraid, to help yourself  
It's never too late, to late to

Stop, look, yes, listen to your heart  
Hear what it's saying  
Stop, look, listen to your heart  
Hear what it's saying  
Love, oh, love, love

(Diana)

Though you try, you can't hide  
All the things you really feel, this time decide  
That you, will open up, let it in  
There's no shame in sharing love, you feel within  
So jump right in  
Head over heels, and fall right in  
It's never too late, to late to

Stop, look, listen to your heart  
Hear what it's saying  
Stop, look, oh, listen to your heart  
Hear what it's saying  
Love, love, love

(Both)

Ooo, hey  
Darlin', darlin', stop and look  
(Stop right now and listen to your heart)  
Oh, listen to your heart hear what it's saying  
(Can't you see that it's not too late)  
Stop and look and listen to your heart hear what it's  
saying  
Stop and listen to your heart right now  
(Stop, look, listen to your heart hear what it's saying)

Oh, can't you see that it's not too late  
(Stop, look, listen to your heart hear what it's saying)  
Darlin' stop and look and listen to your heart hear what  
it's saying  
(Stop baby)  
Stop right now and listen to your heart  
(And listen to your heart hear what it's saying)
