You don't drive a big fast car  
And you don't look like a movie star  
And on your money, we won't get far

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah, yeah, yeah, yeah)  
And whoa, whoa, yeah  
You got what it takes for me

You don't live in a beautiful place  
And you don't dress with the best of taste  
And nature didn't give you such a beautiful face

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah, yeah, yeah, yeah)  
And whoa, whoa, yeah  
You got what it takes for me

And when you're near me, ooh wee  
My head goes around and around  
And when you kiss me, whoa, yeah  
My love comes tumblin' down, you send me

You don't live in a beautiful place  
And you don't dress with the best of taste  
And nature didn't give you such a beautiful face

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah, yeah, yeah, yeah)  
And whoa, whoa, yeah  
You got what it takes for me

And when you're near me, ooh wee  
My head goes around and around  
And when you kiss me, whoa, yeah  
My love comes tumblin' down, you send me

You don't live in a beautiful place  
And you don't dress with the best of taste  
And nature didn't give you such a beautiful face

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah, yeah, yeah, yeah)  
And whoa, whoa, yeah  
You got what it takes for me

Whoa, yeah, you got what it takes for me  
Hmm, you got what it takes for me

No need, no, if I close  
But you got what it takes for me  
Hmm, you got what it takes for me
