You're alone all the time  
Does it ever puzzle you  
Have you asked why  
You seem to fall in love and out again

Do you really ever love  
Or just pretend, oh, baby  
Why fool yourself, don't be afraid to help yourself  
It's never too late, too late to

Stop, look, yes, listen to your heart  
Hear what it's sayin'  
Stop, look, listen to your heart  
Hear what it's sayin'  
Love, oh, love, love

Though you try, you can't hide  
All the things you really feel  
This time decide  
That you will open up, let it in

There's no shame in sharin' love you feel within  
So jump right in  
Head over heels and fall right in  
It's never too late, too late to

Stop, look, listen to your heart  
Hear what it's sayin'  
Stop, look, oh, listen to your heart  
Hear what it's sayin'  
Love, love, love

Darlin', darlin', stop and look  
(Stop right now and listen to your heart)  
Oh, listen to your heart hear what it's sayin'  
(Can't you see that it's not too late)  
Stop and look and listen to your heart hear what it's  
sayin'

Stop and listen to your heart right now  
(Stop, look, listen to your heart hear what's it's sayin')  
Oh, can't you see that it's not too late

(Stop, look, listen to your heart hear what it's sayin')

Darlin', stop and look

And listen to your heart hear what it's sayin'

Stop, baby

(Stop right now and listen to your heart)
