One can have a dream, baby  
Two can make that dream so real  
One can talk about bein' in love  
Two can say how it really feels  
One can wish upon a star  
Two can make that wish come true, yeah  
One can stand alone in the dark  
Two can make the light shine through

It takes two, baby, it takes two, baby  
Me and you, just take two  
It takes two, baby, it takes two, baby  
To make a dream come true, just take two

One can have a broken heart, livin' in misery  
Two can really ease the pain like a perfect remedy  
One can be alone in the far, like an island he's all alone  
Two can make just-a any place seem just like a-bein'  
home

It takes two, baby, it takes two, baby  
Me and you, just take two  
It takes two, baby, it takes two, baby  
To make a dream come true, just take two

Whoo-who-who  
Just take two, just take two

Oh, one can go out to a movie, lookin' for a special  
treat  
Two can make that single movie somethin' really kinda  
sweet  
Yeah, one can take a walk in the moonlight, thinkin' that  
it's really  
Nice  
A-but two walkin' a-hand in hand is like addin' just a  
pinch of spice

Yeah, it takes two, baby, it takes two, baby  
Me and you, just take two  
It takes two, baby, it takes two, baby  
To make a dream come true, just take two
