Never would have made it, never could have made it,
without you
I would have lost it all, but now I see how you were
there for me

And I can say
Never would have made it,
Never could have made it,
Without you

I would have lost it all,
But now I see how you were there for me and I can say
I'm stronger, I'm wiser, I'm better,
Much better,

When I look back over all you brought me thru.
I can see that you were the one that I held on to
And I never
[Chorus] Never would have made it

Oh I never could have made it
[Chorus] Never could have made it without you

Oh I would have lost it all, oh but now I see how you
were there for me

I never
[Chorus] - Never would have made it

No, I never
[Chorus] - Never could have made it without you

I would have lost my mind a long time ago, if it had not
been for you.
I am stronger
[Chorus] ? I am stronger

I am wiser
[Chorus] ? I am wiser

Now I am better

[Chorus] ? I am better

So much better

[Chorus] ? I am better

I made it thru my storm and my test because you were
there to carry me thru my mess

I am stronger

[Chorus] ? I am stronger

I am wiser

[Chorus] ? I am wiser

I am better

[Chorus] ? I am better

Anybody better

[Chorus] ? I am better

I can stand here and tell you, I made it. Anybody out
there that you made it

I am stronger

[Chorus] ? I am stronger

I am wiser

[Chorus] ? I am wiser

I am better

[Chorus] ? I am better

Much better

[Chorus] ? I am much better

I made it, I made it, I made it, I made it, I made it, I
made it, I made it, I made it

And I never would have made it

[Chorus] Never would have made it

Never could have made it

[Chorus] Never could have made it without you

I would have lost my mind, I would have gave up, but
you were right there, you were right there

I never

[Chorus] Never would have made it

Oh I never

[Chorus] - I never could have made it without you.

Someone need to testify next to them and tell them I
am stronger,
I am wiser,
I am better, much better.
When I look back over what he brought me thru.
I realize that I made it because I had you to hold on to,
Now I am stronger, now I am wiser,
I am better, so much better.
I made it.
Is there anybody in this house other than me that can
declare that you made it.
Tell your neighbor, never would have made it.
Never would have made it.
Never could have made it.
Never could have made it without you.
Never would have made it.
Never would have made it.
Never could have made it.
Never could have made it without you
