[Talking throughout the song...]

He saw the best in me,  
When everyone else around me,  
Could only see the worst in me.  
[X4]

He's mine and I'm his,  
It doesn't matter what I did.  
He only sees me for who I am.  
[X4]

He saw the best in me,  
When everyone else around me  
Could only see the worst in me.

[Vamp]  
He saw the best  
He saw the best  
He saw the best  
He saw the best  
The best  
The best  
The best  
The best  
The best  
The best  
The best

He saw the best in me

What did He see?

He's mine and I'm his,  
It doesn't matter what I did.  
He only sees me for who I am.  
[X4]

He saw the best
