You're all I need to get by

Like sweet morning dew, I took one look at you  
And it was plain to see you were my destiny  
With arms open wide I threw away my pride  
I'll sacrifice for you, dedicate my life to you  
I will go where you lead, always there in time of need  
And when I lose my will you'll be there to push me up  
the hill

There's no, no looking back for us  
We got love sure enough, that's enough  
You're all, you're all I need to get by

You're all I need to get by

Like an eagle protects his nest, for you I'll do my best  
Stand by you like a tree and dare anybody to try and  
move me  
Darling in you I found strength where I was torn down  
Don't know what's in store but together we can open  
any door  
Just to do what's good for you and inspire you a little  
higher  
I know you can make a man out of a soul that didn't  
have a goal

'Cause we, we got the right foundation and with love  
and determination  
You're all, you're all I want to strive for and do a little  
more  
You're all, all the joys under the sun wrapped up into  
one  
You're all, you're all I need, you're all I need, you're all I  
need to get by

Oh babe, oh babe, honey, honey, honey  
Yeah, I need you darlin', oh I need, oh baby  
I'm better than that, all I could need, I need tonight  
Oh, oh your love
