Baby, oh baby, you know I love you so
Baby, oh baby, baby please don't go
(ah-ah, ah-ha)

Well, now you got me beggin'
Like you used to do
But I know you'd never do to me
Like I've done to you
Oh baby, baby please don't go
(ah-ah, ah-ha)

Well, I'll tell you baby what I'll do
If you want me to
I'd spend the rest of my natural life
Makin' love to you
Oh baby, baby please don't go
(ah-ah, ah-ha)

Well, if I ever leave again
This is my promise, true
It will only be to bring
Something back to you
Oh baby, you know I love you so
Baby, oh baby, baby please don't go
(ah-ah, ah-ha)

Baby please don't go
(ah-ah, ah-ha)
Baby please don't go
(ah-ah, ah-ha)
