(Spoken)

[Now here's a story about a boy who was always in trouble]

[And just because his pappy was a white trader]

[And his mammy was an indian maiden]

(Half-Breed)

(Half-Breed)

Well, your pappy was a trader, and your mammy was an indian maid boy

Your pappy was a trader, and your mammy was an indian maid boy

We know all about it and we don't want a half-breed around no

Before sundown you better be out of town boy

Half-Breed, they're hot on your tail boy

Half-Breed, but you better not run

Half-Breed, you better get a gun boy

Better get a gun and stand boy

You better get a gun and stand

Well, a man is a man as long as his plans are made boy

A man is a man as long as he can stand unafraid boy

So don't let 'em down, you know, no, don't you let 'em boy

'Cause you got a load to carry and you're just as necessary as they boy

Half-Breed, they're hot on your tail boy

Half-Breed, but you better not run

Half-Breed, you better get a gun boy

Better get a gun and stand boy

You better get a gun and stand

Half-Breed, they're hot on your tail boy

Half-Breed, but you better not run

Half-Breed, you better get a gun boy

Better get a gun and stand boy

You better get a gun and stand

Half-Breed. Half-Breed. Half-Breed. (fades)

Half-Breed. Half-Breed. Half-Breed.
