[Leader:] I don't know what you came here for

[Choir:]

(I don't know what you came here for)

I don't know what you came here for

(I don't know what you came here for)

I don't know what you came here for

(I don't know what you came here for)

But I came (I came) to praise (to praaaaise)

SO HELP ME PRAISE HIM!

Is there anybody here that loves the Lord

(Is there anybody here that loves the Lord)

Is there anybody here to bless his name

(Is there anybody here to bless his name)

I don't know what you came here for

(I don't know what you came here for)

But I came (I came) to praise (to praaaaise)

SO HELP ME PRAISE HIM! [x2]

First giving honor to God whose the head of my life

(Whose the head of my life)

I'm only safely here today because he spared my life

('Cause he spared my life)

When I think of the goodness (When I think fo the  
goodness of Jesus)

And all hes done for me (All hes done for me)

I get excited (I get excited) I gotta reason (I gotta  
reason to praise!)

Come on get up on your feet (Come on get up on your  
feet...)

(Praise the Lord with me, everybody come on!)

Is there anybody here that loves the Lord

(Is there anybody here that loves the Lord)

Is there anybody here to bless his name

(Is there anybody here to bless his name)

I don't know what you came here for

I can not explain it nor can I contain it  
Incredible feeling that's come over me  
It makes me claps my hands, run and do my dance  
It's over whelming and it's swelling makes me say  
OOH!
