It's your time for your miracle  
It's your time for your miracle

You pressed your way  
In the midst of the crowds  
Came in anyway even though you weren't allowed  
I can hear you say without your heart  
If I can just touch Jesus  
I don't need a touch for nobody else  
It's your time for your miracle  
So don't you be discouraged  
Don't you be dismayed  
For you've not been denied, no no no  
It's only been delayed  
It seems it may not be your turn in life  
But don't you get discouraged  
Just stay in the light  
For it's your time

It's your time for your miracle (it's your time)  
It's your time for your miracle  
It's your time for your miracle  
It's your time for your miracle (oh, oh, oh)

(It is your time) It's your time  
(You're next in line) You're next in line  
(To receive, to receive your) Miracle  
(Today is your day) Today is your day  
(I stopped right here to tell you, it's all in your faith)  
It's all in your faith (yes it is, yes it is)  
You're next in line

It's your time for your miracle  
It's your time for your miracle (it's your time)  
It's your time for your miracle  
It's your time for your miracle

(All you got to do is touch)  
Just touch the hem of his garment  
(Your miracle will come)  
Your miracle in a moment  
(Just believe that he can do it)

Just believe he will do it  
(Your faith will move you to it)  
Your faith will move Him to do it

Just touch the hem of his garment  
Your miracle in a moment  
(If you have faith the size of a mustard seed)  
Just believe He will do it  
Your faith will move Him to do it

(I can see the woman)  
Just touch the hem of his garment  
(As she crawls toward my Jesus)  
Your miracle in a moment  
(She had lost all hope in physicians)  
Just believe He will do it  
(All she had was to just reach)  
Your faith will move Him to do it

(It's all within your reach)  
Just touch the hem of his garment  
Your miracle in a moment  
Just believe He will do it  
Your faith will move Him to do it

Your miracle  
Your miracle(3x)

It's your time for your miracle  
It's your time for your miracle
