i believe i'll take a drink from the well that won't run dry
i believe i'll take a drink from the well that giveth life
thou only knew that if of God & who it was that said to
thee
thou would have asked of him- give me drink
& he will give unto thee

i got a river flowing inside of me
i'll take a drink forever
i feel the need
not in the mountains, or in jacob's well
but from my valley
flows a well streaming of living water
worshipping thee

i will never thirst again
everlasting life
for there is spirit in me
worship & life
power has come
& it is now
spirit & truth
worship be seeked
the father is seeking someone right now
that will let go & just believe

i got a river flowing inside of me
i'll take a drink forever
i feel the need
not in the mountains, or in jacob's well
but from my valley
flows a well streaming of living water
worshipping thee

as the water flows from the rivers to the ocean to the
sea
God your spirit running inside of me
oh, as the ocean- as the river flows
to this place where we give you our hearts
give you our hearts

ohh ohhh ohhh

i got a well that's living inside of me
life in the flow of worship
i'll take a drink
i know you're seeking worship
i'll give you a drink
i got a well of worship inside of me

flow, flow
worship inside of me [4x]

life, life
life flowing out of me [4x]

flow, life [7x]

life flowing out of me [7x]

flow, life [12x]

life flowing out of me [3x]
