Heard on yesterday  
Someone's child got blown away  
Some mother lost a child  
Seen a man living on the street  
No food ain't got nothing to eat  
When will it ever end?

Yet I (I wont get discouraged no)  
No I (I'll keep reaching for my goal)  
Yet I, Yet I, Yet I (I wont give up can't let go)

Though sometimes it may be dim  
And my chances may be slim, yet I

Oo, oo, oo, oo

Went to school earned a college degree  
Qualified but they won't hire me  
Too smart to play the part  
(That's what they say)  
Mail man came across today  
More bills than got money to pay  
When will it ever end?

But I (I won't get discouraged no)  
Yet I (I'll keep reaching for my goal)  
Yet I, Yet I, Yet I (I wont give up can't let go)

Though sometimes it may be dim  
And my chances may be slim, yet I

(Keep on believing, Keep on dreaming)  
For I know my time will come  
(Keep on moving, keeping my head to the sky)  
I'm  
(Standing strong, moving on, and on and on)

For sometimes it may be dim (yeah)  
And my chances might be slim, (he said) yet I

Yet I (I wont get discouraged no)

No no no no I (I'll keep reaching for my goal)  
Yet I, Yet I, Yet I (I won't give up can't let go)

For sometimes my way may be slim  
And my chances might be dim, yet I

Yet I, yet I, yet I  
I'll keep moving on moving on and on and on (oo)  
I won't let nothing stop me, nothing block me (oo)  
Keep my eyes to the sky, keep my head lifted up (oo)  
And I'll keep going on and on and on and on and on  
and on (oo)  
Na na na na na
