There's no question of your greatness
Nor searching of your power
Oh the wonder of your glory
To your forty is but one hour
Your knowledge is all encompassing
To your wisdom, there is no end
For you alone are God
You are God alone

Your mercy is everlasting
Your truth is here always
You are He who was, and is, and is to come
Who is He that can number your days
You flood the sun to burn in space
And the night's moon borrows light from day
Oh, you alone are God (you're God, Elohim, you're
everything I need)
You are God alone

Now unto the King eternal
Immortal, invisible
The only wise God
The only wise God

For you alone are God
You are God alone (No one else compares to you Lord)

Now unto the King eternal
Immortal, invisible
The only wise God
The only wise God

For you alone are God
You are God alone (No one else compares to you)
For you alone are God (You're everything that I need)
You are God alone

Be all glory and honor
Dominion and power
Forever and ever
Amen (7x)

For you alone are God
You are God alone
(You're my Jehovah Jireh)
(You're my Jehovah Nissi)
(You're my Jehovah Elyon)
You alone are God
You are God alone

For you alone are God
For you are God alone (3x)
