Been checkin' your scene, tell me how can I be down?  
All I want is all you got and babe I'm freaky bound  
I feel it all over when you're around, keep savin' that  
honey love  
'Coz your daddy's back in town, c'mon

I want you now, Mama, every day and night  
I wanna make love to you till the morning light  
So, just hold on, Mama don't you close the door  
I'll satisfy your wants and you'll be beggin' me for more  
Suga, c'mon

I'm diggin' your freaky style, let's take it all the way  
Get kinky, baby, for a while, let's take it all the way  
Ain't nothin' like gettin' down, let's take it all the way  
We can kick it, Mama, here and now, let's take it all the  
way

Step to my game, mama, show me where your from  
I really don't wanna stop, mama, till the morning comes  
We'll be making sweet love, let's do it all  
You feel just what I mean, I'm givin' everything you  
want, you want

I want you now, Mama, every day and night  
I wanna make love to you till the morning light  
So, just hold on, Mama don't you close the door  
I'll satisfy your wants until you'll be beggin' me for  
more

I'm diggin' your freaky style, let's take it all the way  
Get kinky, baby, for a while, let's take it all the way  
Ain't nothin' like gettin' down, let's take it all the way  
We can kick it, Mama, here and now, let's take it all the  
way

I'm diggin' your freaky style, let's take it all the way  
Get kinky, baby, for a while, let's take it all the way  
Ain't nothin' like gettin' down, let's take it all the way  
We can kick it, Mama, here and now, let's take it all the  
way

You know I gots the ah, you know you gots the ooh  
Yo, all we need now is time for me and you  
It's a little crazy, you's a little wild  
Both together and you got a freaky style

Both together and you got a freaky style  
Both together and you got a freaky style, freaky style  
Both together and you got a freaky style

I'm diggin' your freaky style, let's take it all the way  
Get kinky, baby, for a while, let's take it all the way  
Ain't nothin' like gettin' down, let's take it all the way  
We can kick it, Mama, here and now, let's take it all the way

I'm diggin' your freaky style, let's take it all the way  
Get kinky, baby, for a while, let's take it all the way  
Ain't nothin' like gettin' down, let's take it all the way  
We can kick it, Mama, here and now, let's take it all the way

I'm diggin' your freaky style
