You know you're the only one for me
The thought of you
Picks me up when I'm lonely
I get all crazy
When you call out my name
I'm close to Heaven
When you're touching me
You say that you love me
Girl, I know it
I feel the same but still so afraid
To show it
I get all crazy when
You call out my name
I'm close to Heaven
When you're touching me
(Chorus)
It's gotta be love, sweet love
Whenever you're near me
Ooh you make me happy, baby
Love, sweet love
Whenever you're near me
Ooh you make me happy, baby
Me vuelvo loco pensando en
Tu amor
Cuando te veo, temblo por
Tu calor
Cerca de cielco, alma de
Mr corazon, mis labios
Brillan llenos de emocion
(Chorus)
All I wanted
All I ever wanted was you
And for you to love me
You keep me warm
And you give me love

I know you're the one for me
You know you're the only one for me
The thought of you
Picks me up when I'm lonely
I get all crazy
When you call out my name

I'm close to Heaven
When you're touching me
(Chorus)
Mi vida sonyado asi
(Ooh, I'm getting closer to you)
Esta cancion que estoy
Cantando es solo para ti
(Heaven's only one kiss away)
Mirate, tocarte, besarte asi
(Ooh, I'm getting closer to you)
Ya no lo aguanto mas
(Heaven's only one kiss away)
Querida mi vida sonyado asi
(Ooh, I'm getting closer to you)
Esta cancion que estoy
Cantando es solo para ti
(Heaven's only one kiss away)
Mirate, tocarte, besarte asi
(Ooh, I'm getting closer to you)
Ya no lo aguanto mas
(Heaven's only one kiss away)
