Ah, ah, ah, ah, lovely  
Oh, you make my world go round  
Pick me up when I'm down  
This much you mean to me  
(Ah, ah, ah)

The way you understand  
The way you hold my hand  
In times of loving me  
(Lovely)

Lovely, lovely, lovely, lovely  
Ooh, I got that feeling inside  
When I get you on my mind  
(Ya, ya, ooh, ya)

Sweet lovely, lovely, lovely  
Ya, that deep down feeling inside  
I'm begging you to be mine

Say, gotta have you for myself  
I want you in my life  
I'm tryin to tell you  
That I really gotta have ya

'Cuz girl, you are so sweet  
Your sweet enough to eat  
I wanna let you know  
I really gotta have you

As gentle as a rose  
My love for you knows  
You must be sent from above, ooh ya  
And when I am on my knees  
To God, I'm begging you please  
Let me jump in your love, ooh

Lovely, lovely, lovely  
Ooh, that deep down feeling, ya  
It's like a summer dream  
(I'm dreaming)

Sweet lovely, lovely, lovely  
Ya, that deep down feeling inside  
Now won't you set me free

Said we got your motion, earl of potion  
Dog in motion  
Met her from around the way  
Yo?, me never find a girl, so what?

The island chillin?, coolin? and willin?  
To get with that girlie  
She was one in a million  
Met her from around the way  
Yo?, me never find a girl, so fly and lovely

Sweet lovely, lovely, lovely, lovely  
Baby, you know  
I really got to have you
