When we ooh....tonight,(tonight)
and we make-n it right just for love.
Hey girl, I love the way you do, the simple things you
do.
The way that you go down on me.
and oh girl,you proved your style is smooth
with everything you do, with every little fantasy
Oh girl, I want to live them out with you
and we take our time with the special love affair. Yeah!
Coz' I've got this feeling inside of me, and I wanna' set
it free. ooh baby..

Chorus

and we makin' right just for love (I want you my girl)
When we do the do tonight (tonight, oh baby)
