Ooh, sock it to me mama
Oh, I thought I saw a pussy cat, baby
Ya she looks like she can be my personal steady
Ya, let me make this move

Baby, I want cha very bad, babe, I do
And I've been wanting you for so long, oh
And I could never love you fast, babe, not you
I take my time and love you all night long

All night, you know that I want your love
Let me make it right for you
All night, you're the one I'm thinking of
Once I make it right
Baby, I know you will never go, slow

I like to love you in slow motion
Ooh, ya got it goin' on slow
Let me love you slow, slow
I like to love you slow so morning will come before I do
Let me love you, slow

Ah, come on, my motor is runnin'
You got this animal hype in ya
I gotta slow it down
To get my timing right

Baby, I think you're very sexy, I do
Come over here and get a little bit closer to me, yeah
The time has come for me to love you real slow, slow
Motion lover is what they call me, slow

I like to love you in slow motion
Ooh, ya got it goin' on slow
Let me love you slow, slow
I like to love you slow so morning will come before I do
Let me love you, slow

How do you wanna do it baby?
Oh, 20 miles an hour is the speed I drive, all night
Ain't nothin' wrong, I just take my time, yeah, but yo
check this out

Don't get offended if I fall for a little behind baby,
yeah, all right
20 miles an hour and uh, your rump is mine, yeah

I like to love you in slow motion
Ya got it goin' on slow
Let me love you slow, slow
I like to love you slow so morning will come before I do
Let me love you

Ooh, sock it to me mama

All night, you know that I want your love
Let me make it right for you
All night, you're the one I'm thinkin' of
Once I make it right

Oh, 'Make it good', is my national anthem, baby

All night, you know that I want your love
Let me make it right for you
All night, you're the one I'm thinkin' of
Once I make it right

All night, you know that I want your love
Let me make it right for you
All night

Like a turtle and hare, I promise I will be there
Oh am I in? On my honor I will do my best
To steal all I can and bonk the rest, yeah
You all just as crazy as joy
