hum...ohh baby..aww baby Yeah!  
We goin' take you back a little further  
Thinkin' back on you and me,  
Remembering how it use to be  
Those times are precious, I cherish every moment we  
spent. Yeah!  
Thinkin' back on all the arguments  
Thinkin' back way back when  
We kissed and made up and all was fair in love

So now we gotta go back baby (maybe we can turn the  
hands of time)  
Going back to when (Going back to when you were  
mine)  
When we were one (remembering the times when we  
were one, one in love)  
When love was fun (ohh baby, baby)  
Dig it...

Remembering the first time you showed me your love  
The feeling was so strong heaven sent from above  
But you had no right to play with my heart.  
You showed no shame  
Time after time and place after place  
Night after night and day after day  
I'm still missing your love and the feelings we share  
Sometimes I cry at night coz' I feel so all alone.  
I need your love right here with me to keep me safe  
and warm.

(maybe we can turn the hands of time)  
I'm going back to when (going back to when, when you  
were mine)  
When we were one...we were one girl.  
ohh baby girl....  
when we were one....  
baby save me, I'm thinkin, thinkin' back....  
Play Mr. Music Man Play  
Play Mr. Music Man  
Ua...ohh..ohh..  
I'm Thinkin' back....
