

Color Me Badd "Time & Chance"

Visit "[Time & Chance](#)" on MotoLyrics.com

(Time)
(Chance)
(Time)
Don't it hurt so bad
(Chance)
(Time)
And it hurt so bad
(Chance)

(Time)
Don't it hurt so bad
(Chance)
(Time)
And it hurt so bad
(Chance)

Tryin' to find the faith before the fall
Good man's down, while a bad man's standin' tall
Strongest one don't always win them all
Going crazy, going crazy
Time and chance

(Time)
Don't it hurt so bad
(Chance)
(Time)
And it hurt so bad
(Chance)
(Oh, chance and time)

(Time)
Don't it hurt so bad
(Chance)
(Time)
And it hurt so bad
(Chance)

The way they do my life is going round
Never straight up, sideways, upside down
Brothers livin' six feet underground
Oh, got me crazy, I'm so crazy
Ohh, time and chance

(Time)
Don't it hurt so bad
(Chance)
(Time)
And it hurt so bad
(Chance)

(Time)
Don't it hurt so bad
(Chance)
(So bad, so, so bad)
(Time)
And it hurt so bad
(Chance)
(Time)
(Chance)
(Time)
(Chance)
Time

(Time)
Yo piggy bank, this is one penny
(Chance)
(Time)
Yo piggy bank, this is one penny
(Chance)

A poor man lives in happiness
A rich man, rich man lives in loneliness
A millionaire, evil as he wanna be
A good man going hungry
'Cause of time and chance

(Time)
Don't it hurt so bad
(Chance)
(Don't it hurt)
(Time)
And it hurt so bad
(Chance)

I'm tryin' to find the faith before the fall
A good man's down, while a bad man's standing tall
A strong man don't always, win 'em all
I'm going crazy, crazy, crazy, baby

(Time)
Don't it hurt so bad?
(Chance)
(Oh, it really hurt so bad)

(Time)
And it hurt so bad
(Chance)
(Tell me can you feel the pain?)

(Time)
Don't it hurt so bad
(Chance)
(Time and chance)
(Time)
And it hurt so bad
(Chance)
(So bad, so, so, bad)

(Time)
(Chance)
Oh, it really hurt so bad
(Time)
(Chance)
No I can't stand the pain
(Time)
(Chance)
Now is all about time and chance
(Time)
(Chance)
So bad, so bad

(Time)
(So bad, so bad)
Don't it hurt so bad
(So bad, so bad)
(Chance)
(Time)
(So bad, so bad)
And it hurt so bad
(So bad, so bad)
(Chance)

(Time)
Don't it hurt so bad
(Chance)
(Oh, it really hurt so bad)
(Time)
And it hurt so bad
(Chance)
(So bad, so bad)

(Time)
(So bad, so bad)
Don't it hurt so bad
(Chance)

(So bad, so bad)
