Ooh, oh yeah, oh my, oh my  
Talking 'bout peace and love y'all  
Understand oh Lordy, oh yeah, yeah, yeah

All this time that we've been looking for answers  
While the windows of heaven swing open wide to us  
Yeah, yeah, been a while since it's been left up to you  
and me  
And we just can't seem to agree y'all, I don't know why

Show me this river that was just too deep and wide for  
us  
I'll give two reasons why this notion's simply not  
enough

If I could find some peace  
(Peace and love)  
To take the place of hate and war  
(Hate and war)  
All we need is peace  
(Peace and love)  
Just to take the place of hate and war, oh  
(Hate and war)

Let me say it like this  
Times been far spent, I've been wondering what you  
can do  
Unaware but now ashamed of what I put you through  
Oh my, my, my, my, my

Took me awhile, all the smoke in my eyes  
I couldn't see that the weight on your shoulder was  
because of me, oh  
But if you let me, I'll be your bridge and you cross over  
to the other side  
And should you need me, I'll be just above the water  
line

Oh, and I'll show you the peace and love  
(Peace and love)  
To take away the hate and war  
(Hate and war)

I, I, I'll show you the peace  
(Peace and love)  
It will take away the hate  
(Hate and war)  
And all we need is faith  
(Faith and hope)  
We can help change the world y'all  
(Change the world)

Oh, oh Lord

I'll be the bridge if you cross over to the other side  
And should you need me, I'll be just above the water  
line  
Show me that river just too deep and wide for us

Come on, everybody lift every voice and sing  
Till earth and heaven ring  
Ring with the harmony of liberty, yeah

Peace  
(Peace and love)  
Take the place of hate and war  
(Hate and war)  
Somebody need peace now  
(Peace and love)  
Take the place of hate  
(Hate and war)

Peace and love  
Hate and war  
Peace and love  
Hate and war

Peace and love  
Hate and war  
Peace and love  
Hate and war

Peace and love  
Hate and war  
Peace and love
