(Verse)

What the years have concealed  
Is now being revealed  
I can see clearly  
Your favor was with me  
You covered me all of my days

(Pre-Chorus)

Thank You Lord for being so gracious.  
Thank You Lord how your grace surrounds us  
Thank You Lord Your mercy protects us and it keeps us  
from all harm

(Chorus)

Great grace is covering me  
This is a season of grace  
Great grace is covering me  
This is a season of grace  
This is a season of grace

(Vamp)

Thank you for your grace  
Your amazing grace  
Thank you for your grace  
Your amazing grace
